## VOLUNTEER WITH US

What makes volunteering at Student Life Camp different? **LEADERSHIP.**

Our Staff Volunteer program is designed for 11th & 12th grade students who are looking to grow in their faith and serve as a leader. This is a great opportunity for youth ministries who are looking for intentional moments to teach their students about servant leadership.

When a staff volunteer group arrives at camp, they will quickly be given the title "Staff Volunteer" and will serve with our staff all week long. They will help with load in, check-in, housing, recreation, hospitality, camp store, production, and more! The best part? You will be serving together as a group all week long! This opens the door for milestone moments to take place within your ministry, so that they will go home with your ministry.

If you're looking for one of the best ways to help your 11th and 12th graders step into their call to servant leadership, then Staff Volunteering at Student Life Camp is for you! Click the button below to visit our Staff Volunteer page for more info and to save your students' spot today!
