WHATS NEW ON THE PREP CENTER

This summer's Life Group Leader Guide is available on Step 3 of the Prep Center! We encourage you to download the guide now and share it with your Life Group Leaders so they may begin preparing for their role at camp. Provide enough copies for every Life Group Leader in your group to have their own copy at camp.

Speaking of new, we also have added our updated Church Group Gathering Guide. This resource provides information regarding how you can use this time to best serve your group. Check it out so that you can go ahead and prep before you get to camp.

CAMP PREP PRO TIP

At Student Life Camp, we believe in teaching your students that generosity matters. We believe when Christians gather, we should leave an impact on the nations. Because of this, we partner with the International Mission Board and invite you and your campers to participate in a time of prayer and giving at camp.

Here's where the pro tip comes in: We don't want students to miss out on this opportunity to support the IMB's mission through financial giving, so be sure to share this information with parents and guardians to make them aware BEFORE their students get to camp!
